The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AGREEMENT WITH CUSA CC LLC,
DBA COACH AMERICA LOS ANGELES, FOR VISITOR
BUS TRANSPORTATION SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) is requesting approval of an Agreement with CUSA CC LLC, dba Coach America Los Angeles, to provide visitor bus transportation services for persons visiting inmates at the various custody facilities located within the Peter J. Pitchess Detention Center (PDC) on weekends and on designated holidays.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair of the Board of Supervisors to sign the attached Agreement with CUSA CC LLC, dba Coach America Los Angeles (Coach America), for visitor bus transportation services for the Department. With your Board's approval, the Agreement shall become effective on November 14, 2008, and shall continue for an initial term of three (3) years with options to extend for two (2) additional one-year periods and thereafter for six (6) months in any increment. The estimated maximum annual cost will not exceed the fiscal year operating budget. The Fiscal Year 2008-09 budget for these services is \$450,000.
2. Authorize the Sheriff, or his designee, to execute applicable documents when the original contracting entity has merged, been purchased, or otherwise

A Tradition of Service

changed; and to modify the Agreement within the conditions specified in the Agreement, with prior approval of County Counsel, including authority for the Sheriff to exercise the above extension provisions if it is in the best interest of the County.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to establish an Agreement with Coach America to provide the Department with visitor bus transportation services that will include providing and maintaining the necessary buses and/or other vehicles as appropriate; transporting visitors to and from the various custodial facilities in the PDC complex; and providing qualified drivers, mechanics, and all other support personnel required to maintain the vehicles and provide reports and other information, as needed by the Department.

Implementation of Strategic Plan Goals

The recommended services support the County's Strategic Plan Goal 1, Service Excellence, by providing an efficient means to transport visitors to the inmates' custodial facility while maintaining security at PDC.

FISCAL IMPACT/FINANCING

The Department has identified funding in the amount of \$450,000 in the Fiscal Year 2008-09 operating budget. The Department will continue to allocate funds required to continue these services throughout the duration of this Agreement.

The total amount paid under this Agreement will depend on the services needed by the Department. Payment for work is based on the fixed daily rate of \$752 per bus with an average of four (4) buses used on each weekend day and designated County holidays. The fixed daily rate will remain constant throughout the term of this Agreement. When applicable, the contractor will be reimbursed for the cost of fuel above the base fuel price based on a calculation of miles per gallon and the actual miles driven to provide services. The estimated maximum annual cost will not exceed the fiscal year operating budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Currently, there is an active Agreement with Coach America that was approved by your Board on October 19, 2004, and will expire on November 13, 2008. PDC continues to require the services of Coach America to transport visitors to and from the various custodial facilities in the complex.

The contractor will maintain current required business licenses, including a valid Transportation Charter Party Permit issued by the California Public Utilities Commission.

The contractor is not a certified Small Business and did not request the Transitional Job Opportunities Preference Program.

The Agreement was determined to be a Non-Proposition A agreement because the service cannot be performed adequately, competently, or satisfactorily by civil service employees. The services are only needed on a part-time or intermittent basis. Therefore, the Living Wage Program (County Code Chapter 2.2001) does not apply to the recommended Agreement.

The contractor will be required to comply with all Board, Chief Executive Office, and County Counsel requirements.

The Agreement has been reviewed and approved as to form by County Counsel.

CONTRACTING PROCESS

On July 29, 2008, the Department issued an Invitation for Bid (IFB) for visitor bus transportation services. The IFB solicitation was posted on the Los Angeles County Website and the Department's Website with a closing date of August 29, 2008. The IFB was mailed to 16 bus companies, and the Department received 1 bid on or before August 29, 2008, from Coach America, who met the minimum requirements and was determined to be qualified.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

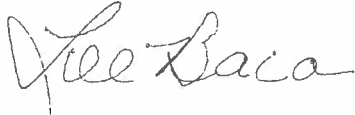

The approval of this Agreement will allow the Department to continue to perform uninterrupted visitor bus transportation services. The nature and continuity of visitor bus transportation would be compromised if the services were not continued.

ADDITIONAL TERMS AND CONDITIONS

The following additional terms and conditions are applicable to, and form a part of, the Agreement. Capitalized terms not otherwise defined in this Exhibit A (Additional Terms and Conditions) as used in this Exhibit A (Additional Terms and Conditions), this "Exhibit" have the meanings given to such terms in the base document of the Agreement.

1.0 SUBCONTRACTING

County has relied, in entering into the Agreement, on the reputation of and on obtaining the personal performance of Contractor itself. Consequently, no performance of the Agreement, or any portion thereof, shall be subcontracted by Contractor. Any attempt by Contractor to subcontract any performance, obligation, or responsibility under the Agreement, shall be null and void and shall constitute a material breach of the Agreement, upon which County may immediately terminate the Agreement.

2.0 DISPUTE RESOLUTION PROCEDURE

2.1 General

Contractor and County agree to act immediately to resolve mutually any disputes that may arise with respect to the Agreement. All such disputes shall be subject to the provisions of this Paragraph 2.0 (Dispute Resolution Procedure) (such provisions are collectively referred to as the "Dispute Resolution Procedures"). Time is of the essence in the resolution of disputes.

2.2 Continued Work

Contractor and County agree that, the existence and details of a dispute notwithstanding, both parties shall continue without delay their performance hereunder, except for any performance, other than payment by County for approved Work, which the parties mutually determine should be delayed as a result of such dispute.

2.2.1 If Contractor fails to continue without delay its performance hereunder that County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs which may be incurred by Contractor or County as a result of Contractor's failure to continue to so perform shall be borne by Contractor, and Contractor shall make no claim whatsoever against County for such costs. Contractor shall promptly reimburse County for such County costs, as determined by the County, or County may deduct or offset all such additional costs from any amounts due to Contractor from County.

- 2.2.2 If County fails to continue without delay to perform its responsibilities under the Agreement which County, in its discretion, determines should not be delayed as a result of such dispute, then any additional costs incurred by Contractor or County as a result of County's failure to continue to so perform shall be borne by County, and County shall make no claim whatsoever against Contractor for such costs. County shall promptly reimburse Contractor for all such additional Contractor costs subject to the approval of such costs by County.

2.3 Dispute Resolution Procedures

In the event of any dispute between the parties with respect to the Agreement, Contractor and County shall submit the matter as follows:

- 2.3.1 Contractor and County shall first submit the matter to their respective Project Managers for the purpose of endeavoring to resolve such dispute.
- 2.3.2 If the Project Managers are unable to resolve the dispute within a reasonable time, not to exceed five (5) Business Days from the date of submission of the dispute, then the matter immediately shall be submitted to the parties' respective Project Directors for further consideration and discussion to attempt to resolve the dispute.
- 2.3.3 If the Project Directors are unable to resolve the dispute within a reasonable time not to exceed five (5) Business Days from the date of submission of the dispute, then the matter shall be immediately submitted to Contractor's president or chief operating officer and the Sheriff of the County of Los Angeles. These persons shall have five (5) Business Days to attempt to resolve the dispute.
- 2.3.4 In the event that at these levels, there is not a resolution of the dispute acceptable to both parties, then each party may assert its other rights and remedies provided under the Agreement and its rights and remedies as provided by law.

2.4 Documentation of Dispute Resolution Procedures

All disputes utilizing the Dispute Resolution Procedure shall be documented in writing by each party and shall state the specifics of each alleged dispute and all actions taken. The parties shall act in good faith to resolve all disputes. At all three (3) levels described in Subparagraph 2.3 (Dispute Resolution Procedure), the efforts to resolve a dispute shall be undertaken by conference between the parties' respective representatives, either orally, by face-to-face meeting or by telephone, or in writing by exchange of correspondence.

2.5 Not Applicable to County's Right to Terminate

Notwithstanding any other provision of the Agreement, County's right to terminate the Agreement pursuant to Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), Paragraph 6.0 (Termination for Convenience), or Paragraph 7.0 (Termination for Improper Consideration), in each case, of this Exhibit, or any other termination provision hereunder, shall not be subject to the Dispute Resolution Procedure. The preceding sentence is intended only as a clarification of County's rights, and shall not be deemed to impair any claims that Contractor may have against County or Contractor's rights to assert such claims after any such termination or such injunctive relief has been obtained.

3.0 CONFIDENTIALITY

3.1 General

3.1.1 Contractor shall maintain the confidentiality of all records and information in accordance with all applicable Federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures relating to confidentiality, including, without limitation, County policies concerning information technology security and the protection of confidential records and information. Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Contract (Exhibit E1 to Appendix A, Agreement) for each of its employees performing Work under the Agreement. Notwithstanding anything herein to the contrary, Contractor acknowledges and agrees that it is responsible for any breach of the obligations of confidentiality set forth herein by any person or entity to whom Contractor discloses such confidential information.

3.1.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting, or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with this Paragraph 3.0, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 3.0 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment,

County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

- 3.1.3 Contractor shall inform all of its officers, employees, agents and subcontractors providing services hereunder of the confidentiality provisions of this Agreement.

3.2 Disclosure of Information.

- 3.2.1 With respect to any confidential information obtained by Contractor pursuant to the Agreement, Contractor shall: (a) not use any such records or information for any purpose whatsoever other than carrying out the express terms of the Agreement; (b) promptly transmit to County all requests for disclosure of any such records or information; (c) not disclose, except as otherwise specifically permitted by the Agreement, any such records or information to any person or organization other than County without County's prior written authorization that the records are, or information is, releasable; and (d) at the expiration or termination of the Agreement, return all such records and information to County or maintain such records and information according to the written procedures sent to Contractor by County for this purpose.
- 3.2.2 Without limiting the generality of Subparagraph 3.2.1 of this Exhibit, in the event Contractor receives any court or administrative agency order, service of process, or request by any person or entity (other than Contractor's professionals) for disclosure of any such details, Contractor shall immediately notify the County Project Director. Thereafter, Contractor shall comply with such order, process, or request only to the extent required by applicable law. Notwithstanding the preceding sentence, to the extent permitted by law, Contractor shall delay such compliance and cooperate with County to obtain relief from such obligations to disclose until County shall have been given a reasonable opportunity to obtain such relief.

3.3 Contractor Information

Any and all confidential or proprietary information which is developed or was originally acquired by Contractor outside the scope of this Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to the County Project Director as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "proprietary" or "confidential." County shall

undertake reasonably to maintain the confidentiality of materials marked by Contractor as "proprietary" or "confidential." Notwithstanding any other provision of this Agreement, County shall not be obligated in any way under this Agreement for:

- 3.3.1 Any of Contractor's proprietary and/or confidential materials not plainly and prominently marked with restrictive legends;
- 3.3.2 Any disclosure of any materials which County is required to make under the California Public Records Act or otherwise by law; and
- 3.3.3 Any materials indicating the volume, frequency and type of goods and services provided by Contractor, including, but not limited to use under Paragraph 25.0 (Re-solicitation of Bids, Proposals, or Information).

3.4 Use of County Name

In recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under the Agreement within the following conditions:

- 3.4.1 Contractor shall develop all publicity material in a professional manner.
- 3.4.2 During the Term, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the County Project Director, which shall not be unreasonably withheld or delayed.
- 3.4.3 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded the Agreement with County, provided that the requirements of this Subparagraph 3.4 (Use of County Name) (other than the requirements set forth in Subparagraph 3.4.2) shall apply.
- 3.4.4 Notwithstanding anything herein to the contrary, County reserves the right to object to any use of County's name and Contractor shall cure promptly and prospectively any use of County's name that has been objected to by County.

3.5 Injunctive Relief

Contractor acknowledges that a breach by Contractor of this Paragraph 3.0 (Confidentiality) may result in irreparable injury to County that may not be adequately compensated by monetary damages and that, in addition to County's other rights under the Agreement and at law and in equity, County shall have the

right to injunctive relief to enforce the provisions of this Paragraph 3.0 (Confidentiality).

4.0 TERMINATION FOR INSOLVENCY

4.1 County may terminate the Agreement immediately at any time following the occurrence of any of the following:

4.1.1 Contractor has ceased to pay or has admitted in writing its inability to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the United States Bankruptcy Code and whether or not Contractor is insolvent within the meaning of the United States Bankruptcy Code, provided that Contractor shall not be deemed insolvent if it has ceased in the normal course of business to pay debts that Contractor disputes in good faith;

4.1.2 The filing of a voluntary or involuntary petition (which involuntary petition is not dismissed within sixty (60) days) regarding Contractor under the United States Bankruptcy Code;

4.1.3 The appointment of a receiver or trustee for Contractor; or

4.1.4 The execution by Contractor of a general assignment for the benefit of creditors other than in the course of arranging financial lines of credit.

4.2 The rights and remedies of County provided in this Paragraph 4.0 (Termination for Insolvency) shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

4.3 Contractor agrees that if Contractor as a debtor-in-possession, or if a trustee in bankruptcy, rejects the Agreement, County may elect to retain its rights under the Agreement, as provided under Section 365(n) of the United States Bankruptcy Code (11 U.S.C. Section 365(n)). Upon written request by County to Contractor or the trustee in bankruptcy, as applicable, Contractor or such trustee shall allow County to exercise all of its rights and benefits under the Agreement. The foregoing shall survive the termination or expiration of the Agreement for any reason whatsoever.

5.0 TERMINATION FOR DEFAULT

5.1 Event of Default

County may, upon notice to Contractor, terminate the whole or any part of the Agreement if Contractor fails to perform or provide any Work within the times specified in the Agreement, or Contractor breaches or fails to perform or comply

with any of the other provisions of the Agreement, including the applicable notice and cure periods, if any (if no cure period is specified in the Agreement, Contractor shall have ten (10) days following notice from the County Project Director specifying such breach or failure to cure prior to termination under this Paragraph 5.0 (Termination for Default), or such longer period as the County Project Director may authorize, in writing, but in no event shall the period, as extended by the County Project Director, exceed thirty (30) days), provided that nothing in this Subparagraph 5.1 shall in any way limit or modify any rights of County or obligations of Contractor relating to timely performance by Contractor as otherwise set forth in the Agreement.

5.2 Deemed Termination for Convenience

If, after County has given notice of termination under the provisions of this Paragraph 5.0 (Termination for Default), it is determined by County or otherwise that Contractor was not in default under the provisions of this Paragraph 5.0 (Termination for Default), or that the default was excusable or curable under the provisions of this Paragraph 5.0 (Termination for Default), the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 6.0 (Termination for Convenience) of this Exhibit except that no additional notice shall be required to effect such termination.

5.3 Completion of Work

Without limiting any of County's rights and remedies pursuant to the Agreement, upon the occurrence of any event giving rise to County's rights to terminate the Agreement, in whole or in part, pursuant to this Paragraph 5.0 (Termination for Default), County may, in lieu of such termination, (a) perform, or cause the performance of, any required correction, remedy and deficiency, replace any non-complying Work, or take any other such action as may be reasonably required to promptly remedy such default, and (b) debit Contractor therefore at County's direct actual cost of outside labor and materials and County's burdened (including salary, employee benefits and reimbursement policies) rates for labor. Such debit shall be made against any amounts owed by County to Contractor under the Agreement. In the event County elects to proceed under this Subparagraph 5.3 (Completion of Work), any Work created, modified, or repaired by or at the direction of County shall be deemed Work under the Agreement.

6.0 TERMINATION FOR CONVENIENCE

6.1 Termination for Convenience.

The Agreement may be terminated, in whole or in part from time to time, by County in its sole discretion for any reason. Termination of Work hereunder shall be effected by delivery to Contractor of a notice of termination specifying the

extent to which performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than thirty (30) days after notice.

6.2 No Prejudice; Sole Remedy

Nothing in this Paragraph 6.0 (Termination for Convenience) is deemed to prejudice any right of Contractor to make a claim against the County in accordance with this Agreement and applicable law and County procedures for payment for Work through the effective date of termination. Contractor, however, acknowledges that the rights and remedies set forth in this Subparagraph 6.2 shall be the only remedy available to Contractor in the event of a termination or suspension pursuant to this Paragraph 6.0 (Termination for Convenience) by County.

7.0 TERMINATION FOR IMPROPER CONSIDERATION

- 7.1 County may, upon notice to Contractor, immediately terminate the right of Contractor to proceed under the Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 7.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to County Auditor-Controller's employee fraud hotline at (800) 544-6861.
- 7.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment or tangible gifts.

8.0 TERMINATION FOR GRATUITIES

County may, by notice to Contractor, terminate the right of Contractor to proceed under the Agreement upon one (1) calendar day's notice, if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer, employee, or agent of County with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing, of such contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

9.0 EFFECT OF TERMINATION

9.1 Remedies

In the event that County terminates the Agreement in whole or in part as provided in Paragraph 4.0 (Termination for Insolvency), Paragraph 5.0 (Termination for Default), Paragraph 6.0 (Termination for Convenience), Paragraph 7.0 (Termination for Improper Consideration), or Paragraph 8.0 (Termination for Gratuities), in each case, of this Exhibit, then:

- 9.1.1 Contractor shall (a) stop performing Work under the Agreement on the date and to the extent specified in such notice, (b) promptly transfer and deliver to County copies of all completed Work and Work that is in process, in a media reasonably requested by County, (c) promptly transfer and deliver all items previously paid for by County, and (d) complete performance of such part of the Work as shall not have been terminated by such notice;
- 9.1.2 Unless County has terminated the Agreement pursuant to Paragraph 6.0 (Termination for Convenience) of this Exhibit, County shall have the right to procure, upon such terms and in such a manner as County may determine appropriate, goods, services, and other Work, similar and competitive to those so terminated, and Contractor shall be liable to County for, and shall promptly pay to County by cash payment, any and all excess costs reasonably incurred by County, as determined by County, to procure and furnish such similar goods, services, and other Work;
- 9.1.3 Contractor shall promptly return to County any and all of County's confidential information that relates to that portion of the Agreement or Work terminated by County;
- 9.1.4 Contractor shall tender promptly payment to County, and shall continue to tender payment for the duration of the Agreement, to the extent applicable; and
- 9.1.5 Contractor and County shall continue the performance of the Agreement to the extent not otherwise terminated.

9.2 Transition Services

Contractor agrees that in the event of any termination of the Agreement, as a result of the breach hereof by either party, or for any other reason, including expiration, Contractor shall fully cooperate with County in the transition by County to a new Contractor, toward the end that there be no interruption of the Department's day to day operations due to the unavailability of the Work during

such transition. Contractor agrees that if County terminates the Agreement pursuant to Paragraph 6.0 (Termination for Convenience) of this Exhibit or Subparagraph 5.2 (Deemed Termination for Convenience) of this Exhibit, Contractor shall perform transition services, and shall invoice County for such transition services determined in accordance with the rates specified in Exhibit C (Price Schedule) of the Agreement, in accordance with a transition plan to be agreed upon, in advance, by the County Project Director and the Contractor Project Director. Contractor further agrees that in the event that County terminates the Agreement for any other breach by Contractor, Contractor shall perform transition services at its own expense. In connection with the provision of any transition services pursuant to this Subparagraph 9.2 (Transition Services), Contractor shall provide to the County Project Director, on request by the County Project Director, documentation that reasonably details the source and amount of the expenses Contractor purports to have incurred in the provision of such transition services.

9.3 Remedies Not Exclusive

The rights and remedies of County set forth in this Paragraph 9.0 (Effect of Termination) are not exclusive of any other rights and remedies available to County at law or in equity, or under the Agreement.

10.0 WARRANTY AGAINST CONTINGENT FEES

- 10.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
- 10.2 For breach of this warranty, County shall have the right to terminate the Agreement and, in its discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

11.0 AUTHORIZATION WARRANTY

Contractor and the person executing the Agreement on behalf of Contractor hereby represent and warrant that the person executing the Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of the Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

12.0 FURTHER WARRANTIES

Contractor represents, warrants and further covenants and agrees to the following:

- 12.1 Contractor bears the full risk of loss due to total or partial destruction of all or any part any goods acquired from Contractor, as applicable, until acceptance by the County.
- 12.2 At the time of delivery to and acceptance by County, all goods shall be new, in good working order, in conformity with manufacturer's published specifications and descriptions, and free from defects in workmanship and materials, as determined by County.
- 12.3 Contractor shall, in the performance of all Work, strictly comply with the descriptions and representations (including performance capabilities, accuracy, completeness, characteristics, specifications, configurations, standards, functions, and requirements) as set forth in this Agreement, including the Statement of Work.
- 12.4 All Work shall be performed in a timely and professional manner by qualified personnel.

13.0 INDEMNIFICATION AND INSURANCE

13.1 Indemnification

Contractor shall indemnify, defend, and hold harmless County, its districts administered by County, and their elected and appointed officers, employees, and agents (the "County Indemnitees") from and against any and all liability (alleged or actual), including damages, losses, fees, costs, and expenses (including defense costs and legal, accounting and other expert witness, consulting, attorney and other professional fees) in any way arising from, connected with, or related to Contractor's, Contractor's agents', employees', officers', directors', or shareholders' acts, errors or omissions. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 13.0 (Indemnification and Insurance) shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County in writing, which approval shall not be unreasonably withheld or delayed. Contractor shall not, however, without County's prior written approval, accept any settlement, or enter a plea of guilty or *nolo contendere*, to any charge or claim that results in other than a monetary judgment against County Indemnitees, which monetary judgment shall not exceed Contractor's ability to pay and which shall be paid by Contractor.

13.2 General Insurance Requirements

Without limiting Contractor's obligations of indemnification and defense of County Indemnites, Contractor shall provide and maintain at its own expense during the Term the following programs of insurance covering its operations under the Agreement, as specified in this Subparagraph 13.2 (General Insurance Requirements). Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County.

13.2.1 Evidence of Insurance

Certificates or other evidence of coverage satisfactory to the County's Risk Manager, and evidence of such programs satisfactory to County, shall be delivered to:

- (v) Identify any deductibles or self-insured retentions for County's approval. County retains the right to require Contractor to reduce or eliminate such deductibles or self-insured retentions as they apply to County Indemnites, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be

executed by a corporate surety licensed to transact business in the state of California.

13.2.2 Insurer Financial Ratings

Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County's Risk Manager.

13.2.3 Insurance Programs

At a minimum, Contractor shall maintain during the Term programs of insurance which consists of:

- (i) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following:

General Aggregate:	\$2,000,000

Personal and Advertising Injury:	\$1,000,000
Each Occurrence:	\$1,000,000

The provisions of this Paragraph 33.0 (Compliance with Jury Service

In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during the Term and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" or that Contractor continues to qualify for an exception to the Jury Service Program.
- 33.2.4 Contractor's violation of this Paragraph 33.0 (Compliance with Jury Service Program) of this Exhibit may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

- 34.3 County may immediately deny or terminate facility access to Contractor's staff, subcontractors or agents who do not pass such investigation(s) to the satisfaction of the County, or whose background or conduct is incompatible with County facility access, at the sole discretion of the County.

35.0 ACCESS TO COUNTY FACILITIES

Contractor, its employees, and agents will be granted access to County facilities, subject to Contractor's prior notification to the County Project Director, for the purpose of executing Contractor's obligations hereunder. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand, or without limitation of all County's other rights and remedies provided at law or equity, or under the Agreement, County may deduct such costs from any amounts due to Contractor from County under the Agreement.

- 40.2 Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person, corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with Paragraph 40.1 of this Exhibit.
- 40.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Agreement which may result in the termination of the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

41.0 INDEPENDENT CONTRACTOR STATUS

- 41.1 The Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever. Contractor shall function as, and in all respects is, an independent Contractor.

- 41.2 County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Contractor.
- 41.3 Contractor understands and agrees that all persons performing Work pursuant to the Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. County shall have no obligation to furnish, or liability for, workers' compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Contractor pursuant to the Agreement.
- 41.4 Contractor shall provide to County an executed Contractor's Employee Acknowledgment and Confidentiality Agreement (Exhibit E1) for each of its employees performing Work under the Agreement. Such agreements shall be delivered to the County Project Director.

42.0 RECORDS AND AUDITS

- 42.1 Contractor shall maintain accurate and complete financial records of its activities and operations relating to the Agreement, including any termination hereof, in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of the Agreement. Contractor agrees that County, or its authorized representatives, shall, with reasonable notice and during regular business hours, have access to and the right to examine, audit, excerpt, copy or transcribe any pertinent transaction, activity, or records of Contractor relating to the Agreement; provided that County's access to such employment records of Contractor shall be limited to access that does not constitute an unlawful invasion of the privacy rights of any such employee. Should the examination and audit be performed by a non-County entity or should a non-County entity be requested by County to review information received pursuant to an audit or examination under this Paragraph 42.0 (Records and Audits), Contractor may require the non-County examiner or auditor, as the case may be, to execute a nondisclosure contract prior to any disclosure. The nondisclosure Contract shall limit the non-County entity's use of information received or reviewed in connection with the examination and audit to work performed specifically for the benefit of County. All such material, including all financial records, time cards and other employment records, shall be kept and maintained by Contractor and shall be made available to County during the Term and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then at Contractor's option, Contractor shall either (a) provide County with access to such material at a mutually agreed upon

location inside Los Angeles County, or (b) pay County for travel, per diem, and other costs and expenses incurred by County to examine, audit, excerpt, copy or transcribe such material at such outside location.

- 42.2 If an audit is conducted of Contractor specifically regarding the Agreement by any Federal or State auditor, then Contractor shall file a copy of such audit report with County's Auditor Controller and the County Project Director within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable federal or state law or under the Agreement.
- 42.3 If, at any time during or after the Term, representatives of County conduct an audit of Contractor, as and to the extent permitted hereunder, regarding the Work performed under the Agreement, the results of such audit, including any final determination in respect of an underpayment or overpayment, if any by County under the Agreement, shall be provided in writing to Contractor. Contractor shall have thirty (30) days to review the findings contained in such audit and notify County of any objection to the same. Such notice must include, in reasonable detail, the basis for Contractor's objection and any supporting documentation and analysis for Contractor's objection. If the parties cannot agree, within fifteen (15) days of receipt of Contractor's objection to the findings contained in County's audit, on the amount of underpayment or overpayment, if any, by County to Contractor hereunder, then either party may submit such matter to the Dispute Resolution Procedure, provided such matter shall be submitted initially, directly to the County Project Director and the Contractor Project Director. If Contractor fails to notify County of any objection it has to the findings of County's audit within the thirty (30) day period set forth above, Contractor waives any right to object to the findings of such audit, including any determination of overpayment by County. If such audit, whether initially following a waiver by Contractor of its right of objection or upon final determination pursuant to the Dispute Resolution Procedure, finds that County's dollar liability for any such Work is less than payments made by County to Contractor, then the difference, together with County's reasonable costs of audit, shall be either repaid by Contractor to County by cash payment upon demand or, at the discretion of the County Project Director, deducted from any amounts due to Contractor from County. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County, but in no event shall County's payments to Contractor exceed the Maximum Contract Sum.

43.0 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATION, AND CERTIFICATES

Contractor shall obtain and maintain in effect during the Term all licenses, permits, registrations, accreditation, and certificates required by all Federal, State, and local laws, ordinances, rules, and regulations, which are applicable to Contractor's services under the Agreement. Contractor shall further ensure that all of its officers, employees,

and agents who perform services hereunder, shall obtain and maintain in effect during the Term all licenses, permits, registrations, accreditation, and certificates which are applicable to their performance hereunder. If and to the extent requested by County, Contractor shall provide copy of each such license, permit, registration, accreditation, and certificate, in duplicate, to Mona Whittouck, Manager, Sheriff's Department Contracts Administration, 4700 Ramona Boulevard, Monterey Park, CA 91754-2169.

44.0 NO THIRD PARTY BENEFICIARIES

Notwithstanding any other provision of the Agreement, Contractor and County do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of the Agreement, except that this Paragraph 44.0 (No Third Party Beneficiaries) shall not be construed to diminish Contractor's indemnification obligations hereunder.

45.0 MOST FAVORED PUBLIC ENTITY

If Contractor's prices decline, or should Contractor, at any time during the Term, provide the same goods and substantially similar services under similar quantity, delivery, and other applicable terms and conditions to the State of California or any county, municipality, public agency, or district within California at prices below those set forth in the Agreement, then such lower prices shall be extended immediately to County.

46.0 COUNTY'S QUALITY ASSURANCE PLAN

County or its agent will evaluate Contractor's performance under the Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with the terms and performance standards of the Agreement. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board. The report will include improvement and corrective action measures taken by County and Contractor. If, following due cure and notice periods for any specified material breach, improvement does not occur consistent with the corrective action measures, County may terminate the Agreement or impose other penalties as specified in the Agreement.

47.0 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should Contractor require personnel in addition to those employed by Contractor on the Effective Date to perform the services set forth herein, Contractor shall give consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Agreement. For this purpose, consideration shall mean that Contractor will interview qualified candidates. Prior to consideration being given by Contractor, County will refer such County employees by job category to

Contractor. The above obligations do not apply to positions filled by: (a) third parties who have subcontracted with Contractor to perform the services, or (b) Contractor's current employees.

48.0 CONTRACTOR TO NOTIFY COUNTY WHEN IT HAS REACHED 75% OF MAXIMUM CONTRACT SUM (UNDER CONTRACT SUM PROVISION)

Contractor shall maintain a system of record keeping that will allow Contractor to determine when it has incurred seventy-five percent (75%) of the Maximum Contract Sum. Upon occurrence of this event, Contractor shall send written notification to the County Project Director and the County Project Manager.

49.0 NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION OR TERMINATION OF CONTRACT

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor under the Agreement, after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration or termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

50.0 SAFELY SURRENDERED BABY LAW

50.1 Notice to Employees

Contractor shall notify and provide to its employees residing in or working in the State of California, and shall require each subcontractor performing Work under this Agreement to notify and provide to its employees residing in or working in the State of California, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

50.2 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family

Services will supply Contractor with the poster to be used. The fact sheet is available on the Internet at www.babysafela.org for printing purposes.

51.0 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

The Contractor and the County agree that, during the term of this Agreement and for a period of one (1) year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

52.0 PUBLIC RECORDS ACT

52.1 Any documents submitted by Contractor, all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records, pursuant to Paragraph 42.0 (Records and Audits) of this Agreement; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which meet the definition of "Trade Secret" in California Evidence Code Section 1061 and are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records, including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

52.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a bid/proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

53.0 WAIVER

No waiver by County of any breach of any provision of the Agreement shall constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of the Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in the Agreement shall not be exclusive and are in addition to any other rights and remedies provided at law or in equity, or under the Agreement.

54.0 GOVERNING LAW, JURISDICTION, AND VENUE

The Agreement shall be governed by, and construed in accordance with, the substantive and procedural laws of the State of California applicable to contracts made and to be performed within that state. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California (except with respect to claims that are subject to exclusive Federal subject matter jurisdiction, as to which Contractor agrees and consents to the exclusive jurisdiction of the United States District Court of the Central District of California) for all purposes regarding the Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the Central District of the Superior Court for the County of Los Angeles, California.

55.0 SEVERABILITY

If any provision of the Agreement is adjudged void or invalid for any reason whatsoever, but would be valid if part of the wording thereof were deleted or changed, then such provision shall apply with such modifications as may be necessary to make it valid and effective. In the event that one or more of the provisions of the Agreement is found to be invalid, illegal or unenforceable in any respect, such provision shall be deleted here from and the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby, unless the Agreement fails of its essential purpose because of such deletion.

56.0 RIGHTS AND REMEDIES

The rights and remedies of County provided in any given Paragraph, as well as throughout the Agreement, including throughout this Exhibit, are non-exclusive and cumulative with any and all other rights and remedies under this Agreement, at law, or in equity.

57.0 FACSIMILE

Except for the parties initial signatures to the Agreement, which must be provided in "original" form, and not by facsimile, County and Contractor hereby agree to regard facsimile representations of original signatures of authorized officials of each party, when appearing in appropriate places on change notices or in other correspondence, notices, etc. requiring signatures, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed thereto, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

EXHIBIT B
STATEMENT OF WORK

VISITOR BUS TRANSPORTATION SERVICES

1. SCOPE OF WORK

CONTRACTOR shall provide bus transportation services for persons visiting inmates at the various custody facilities located within the Peter J. Pitchess Detention Center (PDC). Services shall include, but not be limited to, providing and maintaining the necessary buses and/or other vehicles as appropriate; transporting visitors to and from the various custodial facilities in the PDC complex; providing qualified drivers, mechanics, and all other support personnel required to maintain the vehicles; and providing reports and other information, as needed by the COUNTY.

2. FACILITIES

PDC is comprised of four (4) separate custodial facilities. These facilities are accessible only by a COUNTY-owned and maintained road that is not open to the general public. Upon arriving at PDC, visitors must first register and check-in at PDC's Dr. Elmer T. Jaffee Visitor Center before boarding CONTRACTOR buses for transport to the following custodial facilities located within PDC:

Pitchess - North Facility
29320 The Old Road
Castaic, California 91384-2905

Pitchess – East Facility
29310 The Old Road
Castaic, California 91384-2905

Pitchess – South Facility
29330 The Old Road
Castaic, California 91384-2905

North County Correctional Facility
29340 The Old Road
Castaic, California 91384-2905

The North County Correctional Facility, East Facility and South Facility are along the same route, while the North facility is located in a different direction from the other three facilities.

3. VISITOR REGISTRATION/CHECK-IN

PDC allows visitors on weekends and select holidays, as specified in Section 9 of this Statement of Work. Visits to inmates are limited to one (1) hour on weekends (either two 30-minute visits on Saturday and/or Sunday, or one 60-minute visit on either of the two days) and one (1) hour on holidays. There is no age limit for visitors, which often include young children and infants.

Sheriff's Department personnel are responsible for the visitor registration process. Registration at the Visitor Center begins at 8:00 a.m. Those arriving prior to 8:00 a.m. must wait in line. The registration/check-in process involves the following:

3.1 Initial Screening

3.1.1 Each visitor must first go through a metal detector.

3.1.2 All carried items, including bags, purses, coats, jackets, etc., must go through the x-ray machine and/or be hand-checked by Sheriff's deputies.

3.2 Registration Procedures

After going through initial screening, visitors will be in an area with six (6) booths that are staffed by Sheriff's employees: two (2) are for cashiers, three (3) are for visitor registration and one (1) is for information.

3.2.1 Each adult visitor, or one adult per family group, must complete a Visitor Pass Slip. The visitors must obtain the official visitor pass from one of the three booths designated for registration. The deputies in these booths will key the information from the Visitor Pass Slip to generate a Visitor Pass. At the same time, the information is transmitted on-line to the appropriate custodial facility to allow Sheriff's personnel to prepare the inmates for visitation.

3.2.2 If a visitor wants to deposit monies into an inmate's account, the individual must complete a deposit slip and take it to one of the two cashier booths for processing.

3.3 Waiting Area/Bus Boarding

3.3.1 After receiving the Visitor Pass, visitors are directed to the benches in the waiting/boarding area, separated according to facility destination. Two deputies direct the visitors to the appropriate buses.

3.3.2 Before getting on the buses, all adult visitors must present the Visitor Pass and valid picture identification to one of the two deputies that direct visitors to board the bus. Adult visitors without the proper/valid picture identification may be allowed on the buses at the discretion of the Sheriff.

4. BUS TRANSPORTATION – GENERAL

- 4.1 Each facility has a designated drop-off/pick-up location. Buses must deliver and pick up visitors from these areas, unless otherwise directed by facility staff.
- 4.2 The first round of buses will leave the Visitor Center between 8:00 a.m. and 8:30 a.m., with the various buses assigned to drop-off at one or more of the facilities. Since the North County Correctional Facility has the largest inmate population, it gets more visitors than the other facilities, and may have several buses assigned for initial drop-off. Since the North Facility is located in a different direction from the other three facilities, a separate bus is sent for drop-off there, whether it is full or not.
- 4.3 For subsequent drop-offs, the deputies determine to which facilities the buses will go, depending upon the number of people in the waiting area and length of time they have been waiting.
- 4.4 Between 8:30 a.m. – 9:30 a.m., buses will primarily be dropping visitors off at the facilities and returning directly to the Visitor Center. After 9:30 a.m., buses will also be picking up visitors from the facilities to return them to the Visitor Center.
- 4.5 The last round of buses taking visitors to the various facilities will leave the Visitor Center at approximately 2:00 p.m. Thereafter, between 2:00 p.m. – 4:00 p.m., CONTRACTOR's buses will be returning visitors to the Visitor Center.

5. QUALITY CONTROL

CONTRACTOR shall establish and utilize a comprehensive Quality Control Plan to assure the COUNTY a consistently high level of service throughout the term of this Agreement. The Plan must be submitted to COUNTY's Project Manager for review within fifteen (15) days after award of the Agreement. The Plan shall include, but not be limited to the following:

- 5.1 Method of monitoring to ensure that COUNTY's requirements are being met;
- 5.2 Method of driver/vehicle assignment to ensure that the CONTRACTOR will be able to supply an adequate number of buses, depending upon the workload for the particular day;
- 5.3 CONTRACTOR's written policy regarding the licensing and training requirements for bus drivers;

- 5.4 CONTRACTOR's procedures for training new drivers for this Visitor Bus Transportation Agreement;
- 5.5 CONTRACTOR's written policy regarding firm's vehicle inspection procedures; and
- 5.6 CONTRACTOR's written policy regarding firm's vehicle maintenance procedures.

6. QUALITY ASSURANCE PLAN

The COUNTY will evaluate CONTRACTOR's performance under this Agreement using the quality assurance procedures defined in the Agreement.

6.1 Review of Maintenance and Inspection Records

On a quarterly basis, CONTRACTOR shall submit to COUNTY's Project Manager CONTRACTOR's vehicle maintenance and inspection records of all vehicles used to provide services under this Agreement. The records shall include date of maintenance and inspections, problem(s) identified, and corrective action taken. CONTRACTOR's Project Manager shall review all records to ensure that COUNTY's requirements are being met.

6.2 Performance Evaluation Meetings

CONTRACTOR and COUNTY shall meet on a quarterly basis, but if deemed necessary, may schedule meetings more frequently. In the event that a Contract Discrepancy Report is issued by COUNTY's Project Manager, pursuant to Section 6.3 below, then the meeting shall be scheduled within five (5) days to discuss the problem.

Written records of each meeting shall be prepared by COUNTY's Project Manager, or designee, stating the issues discussed, problems resolved, problems not resolved and pending, and possible future issues. The report must be reviewed and approved by CONTRACTOR's Project Manager. In the event that CONTRACTOR does not concur with any part of the report, then it shall submit a written response to COUNTY's Project Manager within seven (7) days of receipt of the report. COUNTY's Project Director shall review both documents and make a determination, which will be considered final.

6.3 Discrepancy Reports

Verbal notification of a contract discrepancy shall be made by COUNTY's Project Manager to CONTRACTOR's Project Manager as soon as

possible after a contract discrepancy is identified. The problem shall be resolved within a time period mutually agreed upon by CONTRACTOR and COUNTY.

COUNTY's Project Manager shall determine whether a formal Contract Discrepancy Report will be issued. Upon receipt of such Report, CONTRACTOR is required to respond in writing to COUNTY's Project Manager within five (5) business days, acknowledging the reported discrepancy(s) or presenting contrary evidence. CONTRACTOR must submit its plan to correct the deficiency(s) identified in the Agreement Discrepancy Report to COUNTY's Project Manager within ten (10) business days.

6.4 Government Observations

Federal, State, and/or County personnel, in addition to departmental contracting staff, may observe performance, activities, and review documents relevant to this Agreement at any time during normal business hours. However, these personnel may not unreasonably interfere with CONTRACTOR's performance of services under this Agreement.

7. RESPONSIBILITIES - COUNTY

7.1 COUNTY shall be responsible for ensuring that all visitors are properly screened.

7.2 COUNTY shall provide sufficient staffing for the following:

7.2.1 Initial Screening Area

7.2.2 Cashier Booths

7.2.3 Visitor Pass Issuance/Information Booths

7.2.4 Boarding area

7.2.5 Parking lot patrol

Before the registration/check-in process begins, Sheriff staff who regularly work in one of the four PDC facilities, but are assigned for the day to the areas specified above, must sign in at the Visitor Center Office.

7.3 COUNTY shall maintain accurate and consistent visitor count for each day by collecting and filing the Visitor Pass, which must be turned in by visitors to facility personnel during the time of the visit.

- 7.4 In the event that additional buses are required, COUNTY shall notify CONTRACTOR. Deputies will inform COUNTY's Project Manager or designee of the need for additional buses based upon:
1. Number of visitors waiting for buses in the boarding area: the benches are always filled to capacity, and the stream of visitors is ongoing and steady.
 2. Length of wait time: Visitors should not have to wait more than thirty (30) minutes to get on a bus. This is critical, as many of the visitors are young children and infants.

7.5 COUNTY Administration of Agreement

The COUNTY will administer the Agreement according to Agreement Section 3., Administration of Agreement - County. Specific duties will include:

- 8.1.7 CONTRACTOR shall have a supervisor on call and readily accessible at all times between the hours of 6:00 a.m. and 6:00 p.m. on weekends and selected holidays as specified in this Agreement.

8.2 CONTRACTOR's Personnel

CONTRACTOR's employees that do not pass the security screening will not be allowed to provide any services under this Agreement. Thereafter, all CONTRACTOR personnel shall be subject to quarterly screening procedures.

From time to time, in unusual circumstances, for instance, when there is a long line of visitors that require pickup from a specific facility, drivers may need to contact each other to alert them of the situation in order to get quicker response for pick up.

- 10.4 Under special circumstances, CONTRACTOR may be required to provide services beyond 4:00 p.m. In the event of such circumstances, COUNTY's Project Manager or designee shall immediately notify CONTRACTOR of COUNTY's need for emergency extended transportation services. Such extensions shall be regulated exclusively by COUNTY.
- 10.5 Days (holidays) and hours of operations may be subject to change at the discretion of the COUNTY. COUNTY shall notify CONTRACTOR in writing as soon as it becomes aware of the necessity for the schedule change.
